The 1860 Days Committee would like to welcome you to our community celebration. We appreciate your participation and look forward to seeing you. We hope your experience is fun-filled and profitable.

There is a charge of \$20.00 per day per space, whether a for-profit or non-profit vendor. If you will be using electricity, an additional fee of \$10.00 per day will be assessed and given to the property owner whose electricity you will be using. Full amount is due with return of registration form. Refunds for cancellations will be honored until July 15, 2016. Please make checks payable to Pierce 1860 Days. NOTE: Saturday is the best day for vendors, as it is the busiest day on Main Street. You will be responsible for set-up and CLEAN-UP of your assigned space. Booth take-down: NO LATER THAN SUNDAY, 5:00PM.

*NOTE: Due to the limited number of spaces available on Main Street, we will give returning vendors first choice if registration is received by May 31, 2016. Remaining spaces will be assigned according to date received. We will do our best to assign an appropriate space for your type of wares.*

You are responsible to supply your own display tables.  
You are responsible for your own liability insurance. Food vendors must have valid Idaho Dept. of Health certificate.  
Pierce 1860 Days Committee will not be responsible for damaged, lost or stolen merchandise, money, or display items.

-----  
I/We agree to the above terms and conditions for participating in the booth concession activities during the 1860 Days Celebration in Pierce, Idaho, and hold harmless all sponsors and organizers of this Celebration.
